The USO 50th Anniversary Silver Dollar

50 Years Service To Service People

Support the USO in supporting our service people by adding the U.S. Mint's limited mintage USO 50th Anniversary Silver Dollar to your collection.

Dramatic images recall the USO's global reach to assist U.S. service people throughout the years. Expert U.S. Mint craftsmanship ensures high satisfaction.

Each coin is encapsulated to preserve its finish and is accompanied by a Certificate of Authenticity. Proof coins are carried in our special star-spangled presentation case,

uncirculated coins in a gift box. A portion of the purchase price goes directly to the USO to continue their service to our military personnel and their families.

Add this proud and memorable limited mintage (one million coins) commemorative of the USO's 50th Anniversary to your collection today.

The Silver Dollar Coin: Weight: 26.73 grams. Composition: 90% silver (.76 troy oz.), 10% copper. Diameter: 1.500 in. Mint and Mint Mark: Proof—San Francisco ("S"); Uncirculated—Denver ("D").

Designs depicted on coins shown here are renderings of the approved USO 50th Anniversary Silver Dollar first struck in June 1991. Coin designs are subject to modifications. Coins shown are not actual size.

The Korean War Memorial Coin

A Rare Tribute To Those Who Made Courage Common

The lowest authorized mintage of a commemorative silver dollar since the Lafayette Dollar of 1900... just one million coins!

Proof versions of this important commemorative are encased in a protective capsule and packaged in a luxurious presentation case. Uncirculated versions are similarly encapsulated and come in an attractive gift box.

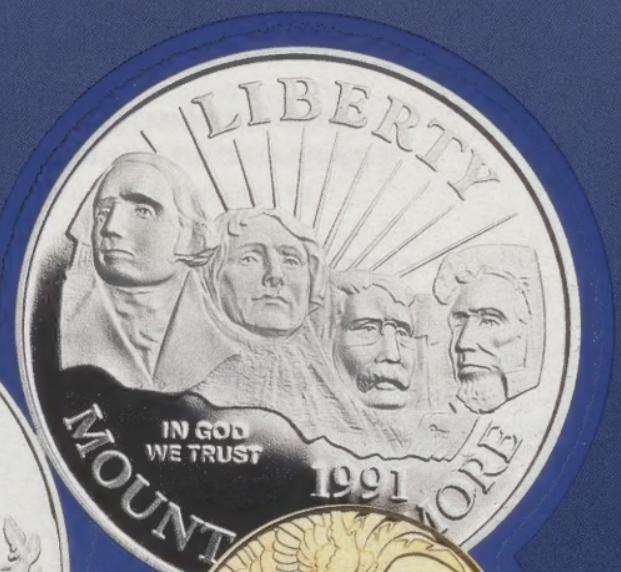

A fitting tribute to our Korean War Veterans, a portion of the proceeds from the sale of this coin will help build the Korean War Veterans Memorial on the Mall in the Nation's Capital.

Silver dollar (legal tender): Weight: 26.73 grams. Composition: 90% silver (.76 troy oz.), 10% copper. Diameter: 1.500 inches. Mint and Mint Mark: Proof—Philadelphia ("P"); Uncirculated—Denver ("D").
